

Canton Meeting for Tear's-Sea Shore on 2/18/2024

Officer Reports:

Seneschal: - Seneschal reports that we will be entering a transition very soon. Seiffred will be stepping up to Barony Seneschal. Deputy Seneschal will be stepping up to take his place while we transition everything. As of today's meeting, we will be officially posting the Seneschal office and it will be posted in Mountain Mayhem newsletter.

Exchequer: - Adendra reports \$4057.34 in the account. We have 2 outstanding checks for site deposit and fees for Warriors games and the non-members surcharge check has not been cashed yet. Maddalena has the previous site deposit and will be giving it to the exchequer this week. She will be going to and will be doing the account with first citizen's going so that we can get it set up and completed. We do need to review our financial policy and it is posted and is on the TSS page. Webminister states that the policy is posted on our website.

Marshal: - We had a Manannan event, and it went very well. We had a great rapier tourney. We had a practice since then in Dottie Park where we had 2 newcomers! That has been the only practice we've been able to hold with scheduling and there have been NO injuries. Manannan report has been submitted.

Minister of the Lists: - No New Updates.

Arts & Sciences: - No New Updates

Webminister: - Jorunn states that Year End report has been filed and has taken a copy. She is revamping the baronial page, but not ours for now. She will be posting the seneschal office and it will be listed soon. She also states that her warrant will be up in a couple months and will be looking for a replacement.

Chatelaine: - Charlotte reports that she has been keeping an eye on the Facebook group pages to ensure she has been getting the newcomers and seeing their interests, to help get more people included in our events. Other than that nothing new to report.

Herald: Vacant

Old Business:

Tourney of Manannan mac Lir: Adendra reports on behalf of Maddalena, Final numbers for the report, as it stands right now, we made \$83.64 in profits. We are waiting on receipts from Elizabeth and the refund check from Maddalena. She is a little behind on getting the report turned in, but she will be doing the upload to get it posted. The reports were posted in on time and we are waiting on Kingdom to report. The financial end of it has been tied up and in the works of getting completed. Maddalena wanted to share HUGE thanks to everyone for the contributions.

Canton Owned Regalia: Tegan states that we had some of the Regalia with them. They have been drawn out and inked, but we are needing to get the painting completed. One for each peerage and then one with the Manannan symbol, and another with a Spike.

University 2024: Constantia is reporting the date has been officially spiked, since there were previous questions about that. She is looking for people to help with teaching some classes and is still wanting more help. Tegan wanted to add is that one thing we are wanting to do with University. If you have friends in other kingdoms, share it with them and let them know that it will be in person so we can get more people there.

Warriors' Games 2024: Charlotte & Adendra report that the site deposit and fees have been posted for the Harleyville community center for July 13th, 2024. Titan games will be there, and we will be sorting out the issues with the placements of games. They state that there won't be any special concessions, but we will have to have a separate sign up and ensure that the authorizations are good to go. We will work on the scheduling of the games. There could be three categories, Titans, Adults & Youth, the top two from each category, get to duke it out. Titan category will already be fighters that are authorized to fight. Strongly suggest specifying if the Titan's are in armor or out of armor.

New Business:

Canton Office of Herald: Tegan puts a bid in for the office. It has been seconded by Bambi and Thirded. The vote has passed.

Review Canton Policy & Financial Policy—will be accepting new proposals at the next meeting otherwise it will get voted in as is. The Financial Policy has been voted in as is and will be updated if things change with Kingdom.

Manannan Mac Lir 2025: WE are now accepting bids for Autocrat of Manannan Mac Lir 2025. Hoping to spike the date and get it set in advance.
